JONATHAN ADRIEL **GARCIA AVILEZ**
FRONT-END DEVELOPER

Buenos Aires, Argentina
Josueavilez54@gmail.com
LinkedIn
Github

I am a person with ambition for knowledge, always looking to learn new things. That's why in less than a year I have developed skills in technologies such as HTML, CSS, JavaScript, React-Redux for the front-end, and NodeJs, ExpressJs, PostgreSQL and Sequelize for the back-end.

PERSONAL PROJECTS

Since my beginnings in programming, I have created projects throughout my learning.

Responsive HTML and CSS
- *Documentation Page*
- *Survey of Form*
- *Interactive Rating Component*

JavaScript
- *Wheater App*
- *Connect Four*
- *Project of QR Code*

C#
- *Connect Four with C# and Razor*

REACT
- *TIC TAC TOE*

EDUCATION
